Who We Are

The true test of our exceptional customer service is our return rate on future purchases and rentals from our existing clients. Our client referrals provide a key component to our success.

Our expansive rental operations, our industry exclusive app, the variety of rental vehicles we offer and the ability to rent from us on a daily basis to a seasonal basis establishes us as the rental leader in our industry.

With over 30 years of experience, our mission is to provide quality passenger shuttles of exceptional value from the best manufacturers to our clients.

We strive to deliver shuttle solutions to fit your specific needs and establish a long term partnership. You will notice this difference from the moment you are connected with one of our sales professionals who will act as your consultant and will guide you through the process. Exceptional customer service isn't just something our clients have come to expect - it's what fuels our company.

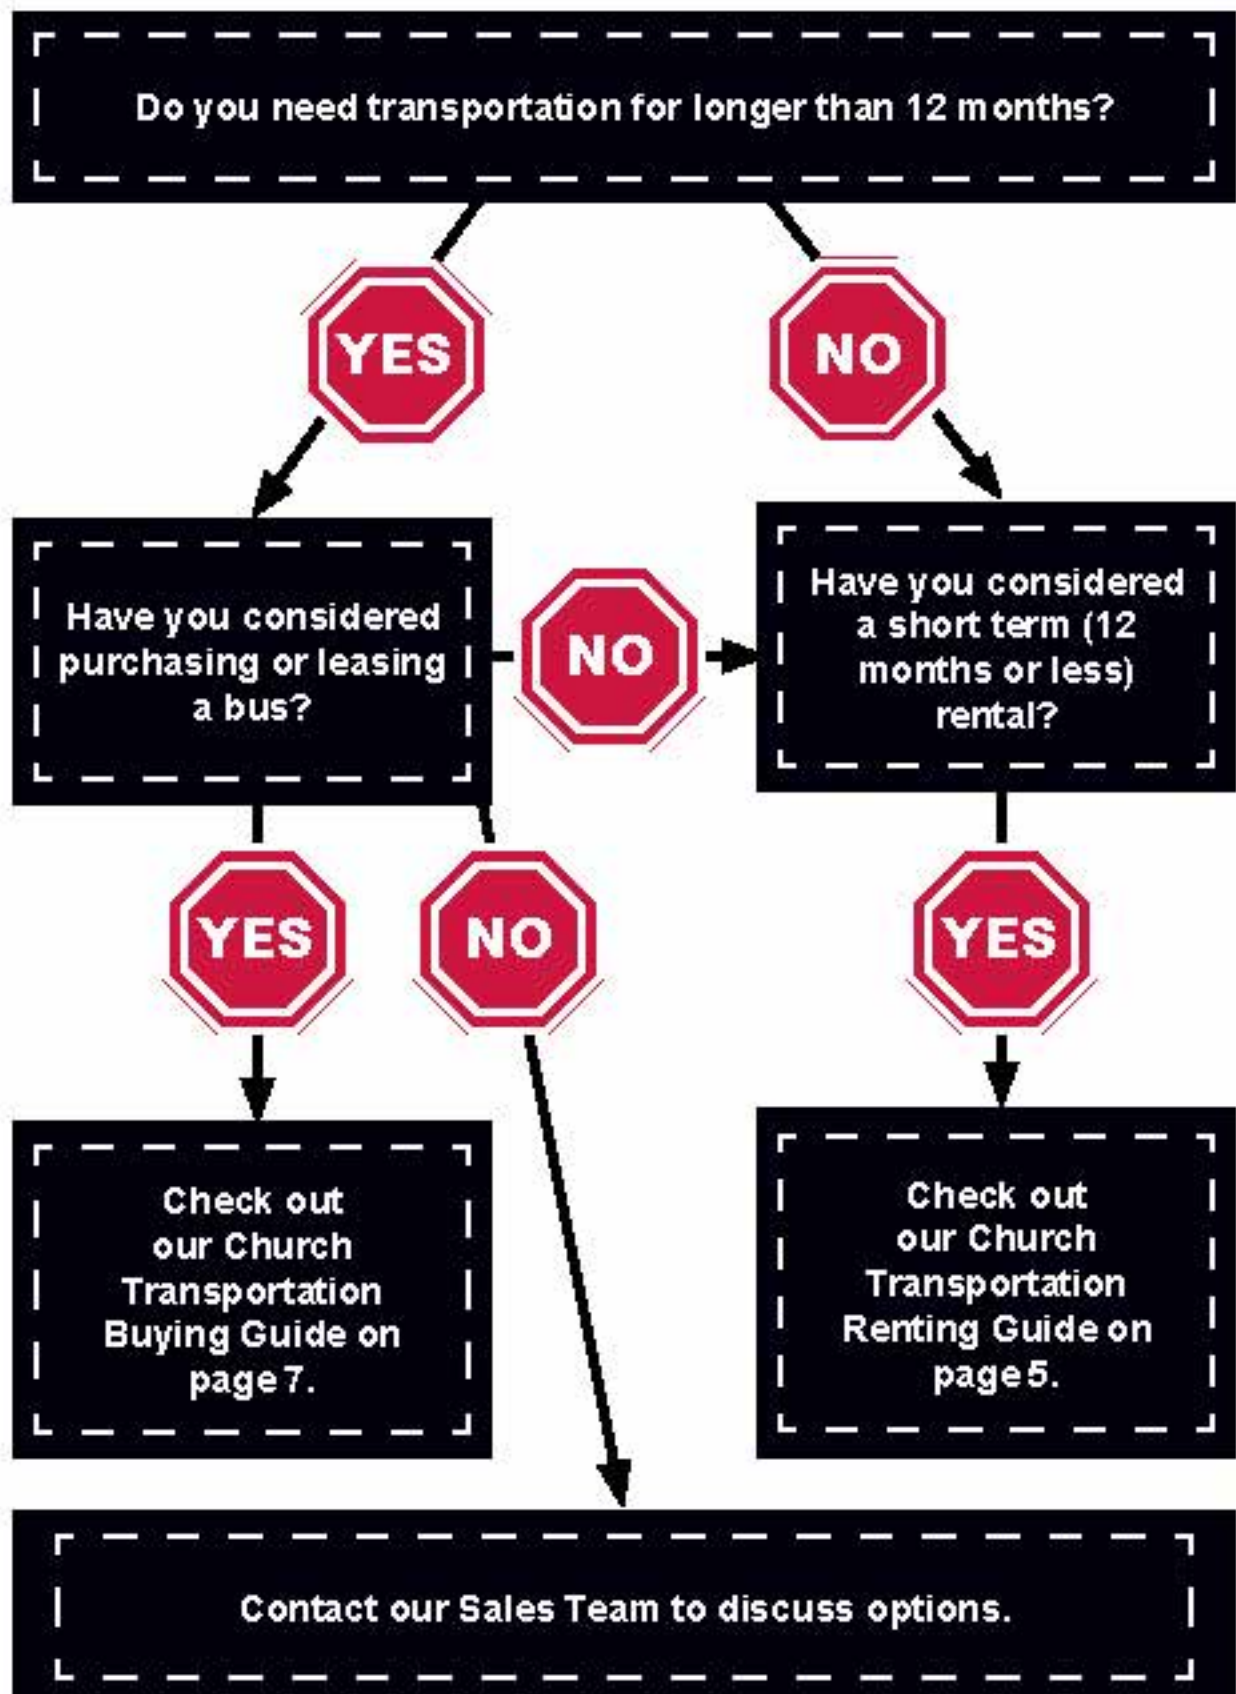

Whether you are renting, purchasing or leasing, we go the distance to make sure that we have tailored your vehicle to your needs while providing you with exceptional value.

We look forward to assisting you with your transportation needs.

Master's Transportation has decades of experience selling, leasing, and renting shuttles, buses and vans to churches all across the country. Let's begin with some helpful tips to get your vehicle selection process started in the right direction.

WHAT ARE THE NEEDS OF MY ORGANIZATION?

Identifying the needs of your organization is the most important step of purchasing a vehicle. Buying a new or used bus or shuttle is a big decision and finding one that fits your needs is a top priority. Questions to consider include: What is our budget? What capacity are we needing? What ADA features do we require?

WHY SHOULD WE CONSIDER RENTING?

Many of our customers only need the vehicles for a few weeks or months out of the year. If this is your situation, a long term rental may be a more affordable option.

SHOULD WE BUY NEW OR USED?

Once you have narrowed down the capacity and budget your organization is needing, considering new and used options is the next step. At Master's Transportation we have many new stock units that come equipped with standard safety features and comfort amenities like rear luggage storage, back up alarm, and public address systems. We also carry many high quality and well-maintained used vehicles. Our new vehicles provide highly desirable features, warranties, and low or no miles; while our high quality used buses and shuttles are a great option for payment sensitive buyers or buyers with a specific price point in mind.

CAN WE TEST DRIVE THE VEHICLE BEFORE MAKING A DECISION?

Yes! We encourage you to test drive the vehicle to ensure it meets your needs and is a good fit. Be sure to have someone ride in the vehicle to experience what it will feel like for your

passengers. Having a full understanding of the vehicle(s) in consideration will assist in the decision-making process.

WHAT TYPE OF INSURANCE DO WE NEED TO RENT A SHUTTLE?

- 1.) Required liability insurance:
 - \$1,000,000 for 12-31 passenger shuttles
 - \$5,000,000 for 35 passenger shuttle and school buses
- 2.) Required physical damage insurance:
 - \$55,000 for 12-15 passenger shuttles
 - \$65,000 for 25 passenger shuttles
 - \$70,000 for school buses
 - \$95,000 for MBZ Sprinters
 - \$150,000 for 35 passenger shuttles
- 3.) Must be in the name of the person/ organization signing the rental agreement.
- 4.) Certificate of insurance must name MaTran, Inc. - 800 Quik Trip Way, Belton, MO 64012 as:
 - Additionally insured
 - Loss payee
 - Certificate holder

DO YOU OFFER GRAPHICS OR LETTERING FOR YOUR VEHICLE?

Yes! As part of our whole vehicle experience, we offer installation and design of graphics and lettering including full vehicle wraps to ensure that your vehicle properly represents your organizations and image.

OUR CHURCH ISN'T LOCATED NEAR ANY OF YOUR FACILITIES, ARE YOU ABLE TO DELIVER?

We can arrange to have your vehicle delivered to your facility if needed.
